Level	1-Bachelor <input checked="" type="checkbox"/> 2 - Master <input type="checkbox"/>	Language of instruction	English

Learning outcomes and competences
At the end of the course the learner is expected to be able to: The main aim of the course is to familiarize students with key issues in first language acquisition, the learning and teaching of foreign languages, and language communication. It also aims to acquaint them with variables affecting these processes and the theoretical models seeking to explicate them, as well as to raise their awareness of the importance cognitive styles, learner autonomy and language learning strategies. An important element will also be the introduction of the European Language Portfolio as a tool of reflection, self-development and self-evaluation.
